April 27, 2020

Winnipeg Falun Dafa Association:

On behalf of the residents of Portage-Lisgar and the Conservative Party of Canada, I would like to extend the warmest of greetings as you mark 29th year since Falun Dafa's introduction.

The past year has been a time of uncertainty and struggle for many. However, I know that Falun Dafa's values of truthfulness, harmony, compassion and tolerance have guided and enriched the lives the many thousands of practitioners through these difficult times.

Like last year, celebrations will again be different from years past; but I'm confident as you look forward to the milestone 30th anniversary, that next years celebrations will be even more meaningful.

As you begin Falun Dafa's 29th year, I hope your celebrations are blessed with peace and joy.

Best Wishes,

A handwritten signature in blue ink that reads "Candice Bergen".
